## Chapter 2 Flashcards by Sally Agreda

. For instance, a total of 1,200 men served in World War II; only about half came home alive. Perhaps the only broad generalization possible for the cross-cultural interactions of this time and place is that every group—whether indigenous or colonizer, elite or common, female or male, elder or child—responded based on their past experiences, their cultural expectations, and their immediate circumstances.

## Transatlantic encounters : Europeans and Andeans in the sixteenth century

They cannot understand the meaning of written characters.

## European exploration of Africa

Together with the work of French academics like , the Jesuits' study of the Chinese language and their collections of Chinese texts formed the basis of modern sinology in the West.

## The Transatlantic Slave Trade

This phenomenon has received increasing attention recently, particularly with regard to 19th century Europe and the United States, when such human exhibitions acquired a systematic, commercial and even scientific character. He is a heathen king, a vassal of the king of China. Advanced Searching Our tool lets you easily search multiple fields at the same time and combine terms in complex ways.
