## Left

Economic growth has been markedly slower in the neoliberal era since 1980 in Britain and the US than it was in the preceding decades; but not for the very rich. Nonetheless, Deneen assumes a constant meaning for liberal. Enthusiasts of hyper-globalization also claimed that it benefited poor countries by increasing export opportunities, but as the success of East Asia shows, there is more than one way to boost exports—and many poorer countries suffered under the terms of the global neoliberal regime.

## Partial Realignment: Politics

A considerable part of Hehn's work is devoted to German trading relations with eastern and southeastern Europe and to the Great Powers' reactions to these initiatives.

## Partial Realignment: Politics

He was a public intellectual, a central literary figure, and a politician. Mora began his career as a liberal intellectual as a partisan of constitutionalism.

## **TNR\_brand monogram\_black**

Independence from Spain pushed, after three centuries of colonialism, to conceive of the liberal institutions as something completely new that lacked any historical precedent. Certain crimes transfigure the society in relation to their ferocity and their psychopathic mania. The anonymity of neoliberalism is fiercely guarded.

### **Jonathan Bowden, Failure of**

Inequality is recast as virtuous. Bush on race and immigration in the United States is a liberal and a humanist.
