### Organization of EPA's Region 5 Office in Chicago

ECAD works closely with the other Region 5 divisions, Office of Regional Counsel ORC , Criminal Investigations Division CID , and Department of Justice DOJ to deliver a comprehensive enforcement and compliance assurance program utilizing the entire spectrum of compliance assurance tools available to the region. The QA Officer oversaw quality assurance activities within the consortium and within Research Triangle Institute RTI , and collaborated with the Environmental and Occupational Health Sciences Institute EOHSI QA Officer. Under this statute and in accordance with implementing regulations and agency guidelines, the Division conducts activities to reduce emissions so that air pollution does not constitute a threat to public health, safety, well-being and the environment.

### Region 5 Contact List

The Division includes the Comptroller Branch, Information Technology and Operations Management Branch, and the Human Resources Branch. Work is accomplished through interaction with other federal agencies, states, tribes, local governments, non-profit organizations, the regulated community, and the public.

### Organization of EPA's Region 5 Office in Chicago

WD implements the Clean Water Act, the Safe Drinking Water Act, and the Marine Protection, Research and Sanctuaries Act, except for inspections and enforcement, which are principally managed by the Enforcement and Compliance Assurance Division. It does not reflect EPA methods and should not be construed as such.

### NHEXAS PHASE I REGION 5 STUDY

Journal of Exposure Analysis and Environmental Epidemiology, Vol. Work planning Coordinator Ariana Connor connor.

### NHEXAS PHASE I REGION 5 STUDY

The Region 5 study was conducted in EPA's Region 5 Ohio, Michigan, Illinois, Indiana, Wisconsin, and Minnesota , and included personal exposure, residential concentration, and biomarker measurements of metals and VOCs. ORA manages the planning, programming,

implementation, control and direction of technical and administrative aspects of Region 5 programs and activities.
