Approaches to Literature

We must conceive of power instead as a multiplicity of forces in permanent battle, and the movement of history in terms of discontinuity and rupture, not linear succession. It is perhaps easy enough to understand why narratology should export its insights to nonliterary narrative forms such as narrative history, but can it presume to go further, to attempt a narratological explanation of culture at large? I want to make a simple point that despite the diversification, fracturing and deconstruction of literary studies, narratology is a common resource, a finite set of terms and concepts which can be deployed by critics with very different interests. A useful survey of post classical narrative theory.

Postmodern narrative theory : Currie, Mark, 1962

Mark Currie establishes direct links between the workings of fictional narratives and those of the non-fictional world, arguing that it is their inseparability which characterizes postmodern fiction, criticism and culture. Don Quixote is a common reference with postmodernists, for example Kathy Acker's novel Don Quixote: Which Was a Dream. Narratology has been one of the places where the most offensive terminology has taken hold, particularly in its structuralist and poststructuralist phases.

Postmodern Narrative Theory by Mark Currie

Romeo And Juliet: The love story, e.

Postmodern Narrative Theory by Mark Currie, Paperback

Johnson's 1969 novel The Unfortunates; it was released in a box with no binding so that readers could assemble it however they chose.

Postmodern narrative theory : Currie, Mark, 1962

For the postmodernist, no ordering system exists, so a search for order is fruitless and absurd. The Sixth Sense, Born On the Fourth Of July.

Postmodern Narrative Theory by Mark Currie

Ordeal—the hero must face his fear or mortal enemy who will seem more powerful.
