## Ideology and Christianity in Japan

On this occasion, therefore, when so many specialists in pre-modern historical studies are present, I have it in mind to take advantage of this rare opportunity and to step boldly outside my own specialist field in what I have to say. In this case, licenced carpenters did not demand the exclusion of unlicensed men but called for them to be brought into the nakama in order to reduce problems for each man's job. The Times atlas of world history.

## Toward the late Tokugawa public sphere : dissent, remonstration, and agitation in the Settsu province

The confrontation between Razan and Banzan was political, however, in the sense that there were direct links between their intellectual conflict and real political conflicts, both in regard to structural and policy issues in the development of the new systems of governance being introduced by the shogunate. . Réactions du monde littéraire du Kansai.

## The Catalpa Bow: A Study of Shamanistic Practices in Japan (Japan Library Classics)

Par conséquent, le Kansai perdait de son pouvoir économique. Once the correct cult attentions are resumed, however, they will usually revert to their former tranquil benevolence.

## Kanzaki\_Sachiyo\_2013\_these

» Tsutsumi « Diverses personnes proposent de nouveaux programmes administratifs régionaux comme le dōshū-sei pour résoudre le problème de concentration à Tokyo. As the people's literacy rate improved and the modern nation emerged, the kōsatsu was abolished in 1873 and eventually replaced by the Kanpō Japanese government gazette and other means. .

43222657

Des scies dressées sur la boîte sont ensuite disponibles pour les passants désireux de scier complètement ou en partie le cou de condamné. Les mots Kinki et Kansai sont utilisés pour désigner la même région.
