## NY AG Had History of Political Probes Long Before It Targeted NRA

This pattern of illegal conduct by the Foundation and its board members includes improper and extensive political activity, repeated and willful self-dealing transactions, and failure to follow basic fiduciary obligations or to implement even elementary corporate formalities required by law. They each stressed their bona fides for handling what could be the tax fraud trial of the century — an unprecedented prosecution of an ex-president — while many carefully avoided speculation on what the grand jury might ultimately find. Still, as a co-owner, it can be presumed that Carlson received compensation from The Daily Caller and FOX in 2016.
