## Powerful Real Estate Marketing Strategies for Leasing or Selling Space

You probably don't want to tie yourself to a five- or ten-year lease if you can help it;

your business may grow faster than you expect or the location might not work out for you. I wanted to know more about the process of renting office space.

### How to Deduct Your Office Costs

Many commercial leases are not based on a standard form or agreement; each commercial lease is customized to the landlord's needs. For example, it needs to be clear from the get-go that what is being offered is a commercial property for lease and not for sale.
