### Japan's Medieval Population: Famine, Fertility, And Warfare in a Transformative Age

Given the centrality of multiethnicity in modern Japanese history, perhaps it is not surprising that the ideology of monoethnicity became dominant only after the 1960s, when it became a principal predicate of Japaneseness. The last general famine for this subperiod occurred in 1369, as crops failed and uncounted hundreds died.

Hingegen sollten, was Bauweise und -materialien betrifft, die Erkenntnisse von Wissenschaft und Technik umgesetzt, und deshalb möglichst westliche Formen und die Sicherheitsbestimmungen erfüllende Materialien z. Or perhaps, as noted above, Kamakura could not feed all its criminals and did not want the starving inmates on its hands.

### Mushoku Tensei Wiki

According to the historian who analyzed these records, in the half century between compilations, the number of farming units in Hozumi shrank from 113 to 71. Yokoyama Yoshiaki 1826—1879 established the first pillar of the prewar theory in a journal article published in the year of his death.
