Public Sphere

The Anti-Imperialist League represented an older generation and was rooted in an earlier era; they were defeated in terms of public opinion, the 1900 election, and the actions of Congress and the president because most younger Progressives who were just coming to power supported imperialism. Yet the underlying idea of the bureaucratic-authoritarian model—that different phases of industrialization have important implications for politics—appears to be supported.

Ethnic Minorities' Social Media Political Use: How Ingroup Identification, Selective Exposure, and Collective Efficacy Shape Social Media Political Expression

Integral ecology, then, invites us to an integral conversion. Chambers and Terrell Carver eds.

Foreign Relations of the United States, 1958

It is not possible to determine from prior research how each dimension of ingroup identification might be related with SMPE through pro-attitudinal selective exposure. Consequently, implications on national identities and on social integration are strongly felt, as well as the effect on the redefinition of membership criteria.

Conclusion: On Characterizing Latin America

Meanwhile, Emilia Saiz, UCLG Secretary General, pointed out that working together is the only way to ensure that local communities and governments can play an active role in shaping the future.

Paulo Drinot

Moreover, these reflections bring to the fore the fact that English cannot be viewed as a transparent medium as its privileged status sets the stage for what gets taken up as worth translating in the first place.
