### The Rules of the Game (1939)

In certain situations obtaining matching tiles after reshuffling can be either theoretically impossible or highly unlikely.

### Rules of Play: Game Design Fundamentals by Katie Salen

Kickers, however, have become so proficient that the long-term impact has been minimal. The player with the highest total value of cards of the same suit wins the pot. The final two players then challenge each other under Two Player rules until someone reaches 500 points and loses.

### How to Play Chess

Each player gets the same amount of time to use for their entire game and can decide how to spend that time.

### Match Play

After a player has made the first move with a value over 30, any tiles can be played to the middle.
