Moral Education

Thus, the history of the afterlife was also the history of the conflict between the body and the soul as the essence of what it is to be human; sometimes of the necessity of both, occasionally of the acknowledgement of the one to the exclusion of the other. The royalists made one attempt to capture London in 1643 but their army was met 6 miles west of St Pauls by a much larger parliamentary army.

Anne Hutchinson

I spent a summer in Brazil working at an English school, this article taught me even more.

Moral Education

Also within this urban landscape of have and have-nots live tens of thousands of street children, eking out a bare existence, ever on their guard against being rousted, or worse, by the police.

Islam

When the Blitz began in September 1940 Londoners started sleeping in the underground stations and soon 150,000 people were sleeping there overnight. A group of nations led by Great Britain after World War Two thought they were doing the right thing by giving Jews their own state.
