Charles Darwin : The Man and His Warfare by Henshaw Ward

He thus slowly but surely modifies his stock, and unconsciously forms a new strain.

Charles Darwin: The Man Behind the Monkey

In the lower divisions of the animal kingdom, sexual selection seems to have done nothing: such animals are often affixed for life to the same spot, or have the sexes combined in the same individual, or what is still more important, their perceptive and intellectual faculties are not sufficiently advanced to allow of the feelings of love and jealousy, or of the exertion of choice.

Charles Darwin; : the man and his warfare,

This was to be the goal of scientific explanation. Indianapolis : The Bobbs-Merrill company MLA Citation Ward, Charles Henshaw. He dropped out of medical school.

Charles Darwin: The Man and His Warfare. by Ward, Henshaw.: (1927) F

But you only have to go back a few thousand years and we shared the planet with others.
