Compartment: The compartment is a base design usually a landscape on which the shield and supporters rest. The Victoria Falls represents the Zambezi river, from which Zambia takes its name. But heraldry was used for more than just tournaments.

### Family

It is a re-introduction of the coat of arms of the Weimar Republic in use 1919—1935 adopted by the Federal Republic of Germany in 1950. If you don't find your surname, you can still order and we will research it.

### Coat of Arms

Two large African elephants support the shield. These are posted at the borders and on buildings containing official offices, as well as used in official documents and on the uniforms of municipal officers. In modern uses, it can also be used to portray family values and ambitions.

### Coat of Arms

In Scotland, the has to control the use of arms. The coat of arms of the Republic of Congo has a shield with a rampant red lion holding a torch.
