My Walks Around London by Flora Tristan by Flora Tristan, Paperback

Flora Tristan's Diary: The Tour of France, 1843—1844. This book looks at the life stories of eight famous women in nineteenth-century France who became public figures even though they lived in a society that did not encourage women to speak out publicly. Her preface warned French workers that they faced similar problems as industrialization spread.

Flora Tristan: Forgotten Feminist and Socialist on JSTOR

She was the first to connect the freedom of the working class with the advancement of women's rights. Around this time, Tristan met and was influenced by the philosophy of the androgynous mystic , as well as her longtime friend. This is for users who don't have an account on Pinterest.

Flora Tristan : life stories (eBook, 1998) [quizapp.evertonfc.com]

She advocated for justice and freedom, raising awareness by revealing that England

is not what it appears to be and there are many injustices beyond its surface. Flora, with her regular features, dark hair, and compelling eyes of a Spanish beauty, as acquaintances described her throughout her lifetime, was impulsive and strong-willed and had vague dreams of a better condition. *Flora Tristan: Life Stories* by Susan Grogan, investigates the life of Flora Tristan through an exploration of the way she represented herself in her own writings.

Paul Gauguin Biography, Life & Quotes

. Gauguin lost his job as a stockbroker in the financial crash of 1882; by 1885 he was seeking a new means of making a living.
