Media Today and Tomorrow: Seattle Newspaper at a Major Turning Point

Hum Comput Interact 16 no.

Yesterday, today and tomorrow

I started taking some journalism classes at UNC, interned with my local newspaper — The Hickory Daily Record — and started writing for The Daily Tar Heel my sophomore year.

The Impact of Social Media: Is it Irreplaceable?

Young people care about what using one platform or another says about them

Ziroom is the leader in apartment rental services. In: Lugmayr A, Risse T, Stockleben B, Kaario J, Pogorelc B, Asensio ES eds 4th Semantic Ambient Media Experience SAME Workshop in Conjunction with the 5th International Convergence on Communities and Technologies, Brisbane, Australia: Tampere Univ. Unesco publications for the World summit on the information society.

Media Today and Tomorrow

In July, the John S. That technology companies have become a creator instead of a medium. While tablets are an emerging category with lower levels of penetration than smartphones, global consumers are exhibiting increased interest around these devices.
