### George Gibbs

Silverton is planning to build the new civic complex on 3. The Stage Manager interrupts the action. Coming at night to Emily's grave, he demonstrates his deep and sincere love for her.

### Our Town Brewery

Gibbs calls George downstairs and asks him what he wants to do once he graduates from high school. You thrust the action back into past time, whereas it is precisely the glory of the stage that it is always 'now' there. So all that was going on and we never noticed.

### Our Town Quotes by Thornton Wilder

### Our Town

He invites Professor Willard, from the state university, to address the audience. Homeowners, small businesses, schools and towns are welcome to join.

### Our Town

Later, he has difficulty with algebra. The stage manager says that they will now return to the play.

### Our Town

George is left alone with Mr. It is likely that his selection is based on superficial traits — such as his prowess on the pitching mound or his personality — rather than his intellectual excellence or leadership qualities.

### Our Town

Wilder offers a couple of chairs on a bare stage as the backdrop for an exploration of the universal human experience. Find related themes, quotes, symbols, characters, and more. We work for you, not the fuel companies.
