Focus on Land

The results were driven by growing , and. The war lasted until March 1990 with South-West Africa winning its independence and the country was renamed Namibia.

Colonial views in Africa's history books

In this drone video, contributor FreD gives us a drone's eye view of a very relaxed group of Hippo's cooling themselves in some Namibian waters.

Namibia has become predators' paradise

The most affected are people living in urban areas, people with secondary education, and those employed in construction, manufacturing, private services, trade or transport sectors. On the other hand, some 95 per cent of the population, who happen to be black, have been fated to live lives that lie at the opposite end of the spectrum from those of their white compatriots.

Namibia Economy: Population, GDP, Inflation, Business, Trade, FDI, Corruption

Since then, Namibia has shown remarkable signs of political stability. Author: Julia Hitz eg Colonial perspectives Other examples abound.

Namibia: grown up after a generation into independence, but not yet mature

Welwitschia Drive: This desert route is located in the northern corner of the Namib-Naukluft National Park and includes 13 numbered stone beacons at points of particular interest.

Namibia Economy: Population, GDP, Inflation, Business, Trade, FDI, Corruption

Things are moving in Botswana, too. As a result of the in 1945, the League of Nations was formally superseded by the UN and former League mandates by a trusteeship system

Namibia Overview

This contrasts sharply with the data. Hopwood believes the key issue is who should receive compensation.

Namibia Overview

Located in southwestern Africa, Namibia is a large country the size of Texas and Louisiana combined. Having said this, the process of living up to the rightful standards of an independent and free Namibia, the process of reversing past inequities so as to enhance the standard of living of the majority and thus safeguard the peace and prosperity of the minority, is complex and difficult - there is no single answer.
