We knew that a studied indifference would be the inevitable reception to our work ... but there were unknown allies scattered here and there. Die Möglichkeiten einer expressiven Bauplastik beschäftigten Domenig schon seit seinen Anfängen als Architekt in den 1960er Jahren, als er gemeinsam mit Hans Hollein, Walter Pichler und Coop Himmelb(l)au zu den Pionieren postfunktionalistischen Bauens wurde. Integration and sustainable aspects of the work Max.

Günther Domenig 1934

Mit einem Mensa-Bau in Graz-Eggenburg realisierte Domenig schon früh einen organoiden Schalenbau, der im Zeitalter des Computerentwurfs eine neue Prominenz als Pionier heutiger Architekturauffassungen entfaltet.

Günther Domenig

Austrias highest mountain lake, the Weissensee in Carinthia, is a pearl of nature and a flagship community for sustainability and regionality. The sanitary facilities in the complex to my eye seem visually sterile, demonically industrial, and downright scary. Deutliche Schwerpunkte finden sich bei Bauten für Bildung und Gesundheit sowie bei künstlerischen Projekten wie Bühnenbildern, Ausstellungsgestaltungen und plastischen Arbeiten.

Gunther Domenig : Recent Work

Somewhere nearby was lurking the embryo Thom Mayne, Eric Moss, Coy Howard and the already known Craig Hodgetts. The latter magazine, with an inevitable Austrian, Mark Mack, somewhere at the helm, was noteworthy if for no other reason than that it introduced most of us to Stanley Saitowitz, a South African architect who in his late twenties had already built a most marvellous and original house.

About Us

Günther Domenig zählt zu den bedeutendsten Architekten Europas. .
