## Political Revolution

Demagogues attack the rich, individually or collectively, so as to provide them to forcibly resist and provide the emergence of oligarchy. The constitution thus defines the governing body, which takes different forms: for example, in a democracy it is the people, and in an oligarchy it is a select few the wealthy or well born. It belongs to one of the three main branches of science, which Aristotle distinguishes by their ends or objects.

## A History of Political Thought in the English Revolution

It is owing to this lofty conception of a citizen's duties that he so closely narrows the citizen body. In democracy, the most important cause of revolution is the dishonest character of the popular leaders.
