Socialist feminism

Federici's suggestions are echoed in a similar interview with Selma James 2012 and have even been touched on in recent presidential elections.

The New Left, Cultural Marxism, and Psychopolitics Disguised as Multiculturalism

Cited in: Louis, Prakash 2005. Therefore, in contrast to orthodox Marxists, who usually emphasize the material and economic aspects of capitalist society and believe that the capitalist system will inevitably collapse by a proletarian revolution, the Frankfurt School theorists emphasize the cultural and intellectual factors which prevent the masses from reaching class consciousness. Despite the supposed presence of intersectionality in socialist feminism, many feminists, particularly women of color, critique the movement for perceived deficiencies in regards to racial equity.

An anthology of western Marxism : from Lukács and Gramsci to socialist

Gottlieb's Introduction is nothing short of impressive.

Gottlieb, Roger S. [WorldCat Identities]

Socialist feminists reject the Marxist notion that class and class struggle are the only defining aspects of history and economic development. Marxists supported the more radical political program of liberating women through socialist revolution, with a special emphasis on work among women and in materially changing their conditions after the revolution. Social scientists and social movements journal of sociology.
