Accessibility Rubric Creating accessible products is a priority for McGraw-Hill. We ask that you set aside those and any other preconceived notions that you may harbor about the law and the legal system. They may disagree with the law as it is written, but they will acquiesce to the sovereign power and follow the law as it is written.

**Business Law and the Legal Environment, Standard Edition, 8th Edition**

For example, it is generally not acceptable to ask strangers about their income.

**Reading: Law and Business**

Congress is the legislative body at the federal level. From 1992 to 1998 he was a member of the Board of Directors of the Long Island Lighting Company LILCO. Name three social problems that our rule of law system does not address, or does not address adequately.

**Advanced Business Law and the Legal Environment**

Likewise, business partners, members of boards of corporations, and members of limited liability companies all know what is expected of them in their roles vis-à-vis the business and other people within their organizations.
