Greenwood Press - Finding Articles in Full Text Databases

The screenshot shows the homepage of the Journal of East Asian Libraries. At the top, there's a logo and the journal title. Below it, a navigation bar includes links for Home, About, FAIR, My Account, Journal Home, Area & Scope, Editorial Board, Submit Article, Back Issues Papers, Review Email Notice of RSS, and Select Number. A sidebar on the left has sections for All Numbers, Search, and Advanced Search. The main content area displays a list of selected full-text databases, with a large blue 'Download' button at the top right. Below the list, there are links for View PDF, Download, and Share. A note indicates 277 DOWNLOADS. At the bottom, there's a Creative Commons License notice.

What is a Full

Academic Search Ultimate offers access to resources cited in key subject indexes. These values are displayed in the 'Value' column in both the Original Text and Strong's Numbers tables. Chronicles the transformative decades of the 60s, 70s and 80s through the lens of an independent alternative press.

Library Article Databases

The Dead Sea Scrolls Electronic Library presents a complete Hebrew transcription and English translation of the Biblical texts, together with high-resolution images. Over time, however, that scope expanded to cover environmental concerns, world health issues, nuclear proliferation, economics, narcotics trafficking, and much more. HarpWeek may be browsed by date or literary genre and the full text is searchable by keywords.

myBase

America's Historical Newspapers Early American newspapers published between 1690 and 1922, including titles from all 50 present states.

Find Databases

Library Literature is an index to journal articles, books, pamphlets, and theses on library and information science published since December 1984. Charts and graphs download into Excel, and detailed written analysis provides explanations and insights.
