18 U.S.C. § 2385

It is primarily a matter of state law and is usually developed through case law from state appellate courts; it is rarely a matter of federal law, and tort-related statutes are focused on discrete issues like authorizing which did not exist at common law. However, there is still significant diversity in the interpretation of other kinds of contracts, depending upon the extent to which a given state has codified its common law of contracts or adopted portions of the. There are also a number of sections or parts thereof in Acts passed before January 1, 1985, that were not consolidated in the Revised Statutes of Canada, 1927, 1952, 1970 or 1985.
