Study Guide for Contemporary Linguistic Analysis : An Introduction by William O'Grady

This is one of the key reasons I have adopted this text.... Visit the site when you want to review and reinforce your understanding of the concepts in Contemporary Linguistic Analysis: An Introduction, Fifth Edition. The online component is a very useful means of providing access to interesting expansions of the topics that both the student and the instructor can take advantage of.

Contemporary Linguistic Analysis: An Introduction, Seventh Edition with Companion Website (7th Edition): O'Grady, William, Archibald, John: 9780321753687: quizapp.evertonfc.com: Books

Using the generative paradigm, it offers an introduction to linguistic analysis as it is practised at this stage in the development of the discipline. Free 2-day shipping with Amazon Prime! It says inside that the answer key is available at Pearson Canada but I haven't been able to find it and no one from Pearson Canada returned my emails so while I think the activities would be great to assign to students it means more time on my part to prepare answers for all of the activities. The Study Guide has been revised and expanded to cover the entire text, and a new Answer Key to the Study Guide will be available to students on the Companion Website.

Special thanks to our Web authors: William O'Grady University of Hawaii and John Archibald University of Calgary We hope you enjoy your stay. This superb text gives students a solid grounding in basic linguistic concepts, but also prepares them to go on to further advanced work in the discipline. Organized by chapter, the site features additional coverage of many of the book's most important topics as well as some additional exercises.

Contemporary linguistic analysis : an introduction : Free Download, Borrow, and Streaming : Internet Archive

I would not recommend this book to others. This should be an interactive digital version or a code to have access to the website. I was disappointed as one of the goals for me was to be able to assign independent practice quickly and allow the students to be independent.

Contemporary Linguistic Analysis: An Introduction

For this seventh edition there is also an expanded Study Guide covering the entire text with an answer key for students, and a Companion Website access code required with audio for transcription practice. The presentation of topics meets the needs of the target first-year audience very successfully.
