Rolling back privatization in Kazakhstan's higher education?

You can choose whether to allow people to download your original PowerPoint presentations and photo slideshows for a fee or free or not at all.

Changes in The Higher Education

Filesize: 24.65 MB

System of Kazakhstan

However, there is no clear consensus about what level of fiscal and academic autonomy is desirable and whether all institutions are prepared to manage themselves without Ministerial oversight. The number of is expected to reach 50,000 by 2025.

PPT

There are two critical growing trends that could be outlined in the field of higher education in Kazakhstan. Time has come to understand what we should preserve from the accumulated wealth, and we should alter in education, so that we would not be left on the edges of civilization.

export.gov

Under the new system of higher education, a PhD is conferred after two to three years' further study beyond the Master's Degree, while the Doctor of Sciences Doktor Nauk is awarded after the Kandidat Nauk and after completion of a thesis based on original research.
