## Joseph Conrad's Heart of Darkness (Bloom's Modern Critical Interpretations)

All its implications remain within the invisible quotation marks of the fictional. The Capataz never checked his speed.

## Conrad's Secret a private ethics of leadership.

Even his passionate devotion to Antonia into which he had worked himself up out of the depths of his scepticism had lost all appearance of reality. Nostromo becomes formally engaged to marry the dark-haired Linda, but he is secretly in love with the fair Giselle, and promises to elope with her. The relative magnitude of the journals program within the Press is unique among American university presses.

Who would not succumb to such a consoling temptation? He shall escort your diligencia right into Sulaco widi some of our railway peons.

## The Burden of Isolation

We in diis country 'know just about enough to keep indoors when it rains. Further upriver, Chief is impaled by a spear thrown by Montagnards and attempts to kill Willard by impaling him on the spear point protruding from his own chest. The father has sent them downstairs, and they have crept into this cafe, perhaps because I am here.

## Conrad's Secret a private ethics of leadership.

But die trip over the mountains to Sulaco was anodier sort of experience, in an old diligencia over impassable roads skirting awful precipices. He says: You were appointed to undo the evil by making me betray myself back into truth and peace.

**JOSEPH CONRAD**

That's what die force of character will do for you. He says to Marlow, p. Lest his listeners assume, though, that the absurdity and displacement affects merely the Europeans, Marlow displaces the Africans as well.
