What is a Weird Text Generator Website? Why is that man holding a sewing machine in front of the scene of an accident? For a minute he stood thus and then there broke from his lips the long, weird cry of ape calling to ape and he was away through the jungle toward the sound of the booming drum of the anthropoids leaving behind him an awakened and terrified village of cringing blacks, who would forever after connect that eerie cry with the disappearance of their white prisoner and the death of their fellow-warrior. Weird text is also known as Crazy Creepy Hacked Glitch Zalgo Text Fonts. Why not strike up a conversation with your notebook or your food? They may even want these items in mint condition for their collections.
