## AFH Facility Search

A graduate of the University of Hawaii with graduate work at Ohio State, Dee holds various licenses and certificates, including a Certified Commercial Investment Manager CCIM , Certified Trust Financial Analyst CTFA , Washington State Managing Brokers License, and Washington State Public Notary. Our future depends on it.

## Fortress

. Our mission is to boost the communities where we live and create environments where memories will be shared for generations to come.

## FORTRESS INVESTMENT GROUP LLC

Fortress Development is a commercial real estate developer and privately held investment company based in Bellevue, Washington. She also oversees income and cost analysis, budgetary and reconciliation processes, contract negotiations and construction supervision.

## FORTRESS INVESTMENT GROUP LLC

For the now and for the future. A native Seattleite, Arne holds a Bachelor of Architecture and a Bachelor of Science in Architectural Engineering and a Minor in Construction Management from Washington State University. We have over half a century of combined experience.

## Fortress

Our projects feed the local as it embraces the international.

## Fortress

Prior to joining Fortress, Eric established his own construction management business where he provided comprehensive project leadership in a wide variety of project types, including retail, mixed-use, class A office, restaurant, parking structures, warehouse and industrial properties. Stay a night or stay a lifetime. We develop great places to live, shop, eat, connect.

## **Fortress**

In more recent years, Andy owned and developed several office buildings, mixed-use projects, large-scale commercial plazas and shopping centers. To that end, Andy spent more than a year finding and assembling a dream team of designers, architects, restaurateurs and other experts in their fields to help realize his vision and legacy project.

## **AFH Facility Search**

Kellanne has an MBA from the University of Washington, Michael G. Prior to joining Fortress, she was a real estate consultant focused on strategy, financial analysis, operational planning, management, leasing, entitlements and training for clients. Great places are ones that feel of the now.
