## Muskrat ecology in the Mackenzie Delta: insights from local knowledge and ecological field surveys.

A notice filed December 10th in Edmonton Court of Queen's Bench by the Athabasca Chipewyan First Nation claims that a series of oil sands permits the provincial government sold to Shell Canada and other companies are invalid.

### Flooding in the Peace

Swift, the oldest resident of the Yellowhead Pass, was quoted as saying that the flood of 1915 was the largest he had witnessed at Jasper.

### A fisherman out of water

Alexander Mackenzie partnered in setting up a trading post at Fort Chipewyan. Consequently the perched basins in the Peace-Athabasca Delta have only been flooded three times in over 30 years since the Bennett dam was built. A third site the Embarrass River Site see Map 1 was also considered for its potential to developed hydroelectricity but due to the low flow volumes of water at this specific location hindered further development of the Embarrass River Site.

### The Peace

It focuses on the new Aboriginal Consultation Office and reviews two legislative initiatives that directly affect the consultation process.
