Christian Witness in the Contemporary World

Finally, to the extent that communication is critical to the process of evangelization, mission theology is enhanced by the use of more effective images, metaphors, and symbols or a more perceptive understanding of human development, gender differences, and ethnic identity. At the same time, any successful attempt at ministry or mission also needs structures to maintain and facilitate its sustainability. With this in mind He made Adam and Eve partners in His rule.

Mission Theology

Each meeting includes a short presentation by a guest speaker or expert in the business community. They ask questions and end by praying for that person in their work and for the good of the enterprise and people they work with. Christian mission has many-ness not in a fragmentary sense, but in the sense of wholeness.

What Is God's Mission in the World?

The Greatness of the Kingdom. He is outside all created things.

How Can We Equip Our People for God's Work in the World?

Eph 3:6 , to be a witness to the world. An Ecumenical Vision of Christian Unity.
