Blood Food among Christians

The patriarch Abra ha m and his halfsister-wife Sarai were lucky to live before the Law forbade such sexual relationships. If anyone eats blood, that person must be cut off from his people. Many treat it as if it were plain nonsense.

That side of the tale seems to be awfully overlooked. And the Law of Moses talks against eating pigs and blood food.

Why Bible

But for all that, blood food is hardly ever shunned and demonised by Christians today; it is different with adultery. This law amounted to a death sentence in the ancient world. But life on earth does not have to end in wailings for having had a meal of black pudding, the New Testament tells: It should be wise to abstain from it.

I may be the result of far too little interest to do research on that. Yet I don't know any Christians who don't eat Black Pudding because of Acts 15. Which parts will you favour? Do not eat it, so that it may go well with you and your children after you, because you will be doing what is right in the eyes of the Lord.

Blood Food among Christians

The Old Testament penalty for eating blood food is that of being cut off from one's people, which could amount to death. To calculate the overall

star rating and percentage breakdown by star, we dont use a simple average.

Why Bible

The decision is in Acts 15:28-29, which is repeated in Acts 21:25. They must be put to death; their blood will be on their own heads.
