## Rome and the Worlds Beyond Its Frontiers. Impact of Empire, 21

Main areas of research and publication are Vikings and Sagas, Wars of Independence, Scottish Political Thought, The Covenanters, Scottish Emigration and most recently research on the Ethnology of Dumfries and Galloway. Many of these frontiers survived for centuries. Good condition book, covers are shelfworn with tanned spine and textblock edges.

Hunter evaluates selective indigenous societies of Roman Iron Age Scotland, whence materials were viewed according to their importance and value in enhancing social status, devising behavior, and controlling social realities. This essay provides an impressive array of primary source evidence, but ultimately leaves the reader without a strong sense of the strategies used by the Republican authorities or their success during the wars with Mithridates. The length of the German frontier brought it within the Roman provinces of both Germania Superior and Raetia, placing it under the jurisdiction of two different governors.

## Rome Beyond Its Frontiers: Imports, Attitudes and Practices

Frontiers in colonial New Zealand were not simply lines on maps, but zones of contact and encounter.

## beyond the imperial frontier

There are occasional inaccuracies: Valerian reigned till 260 not 259, Valentinian died in 375 not 376 p.

Schmidt also traces the fluctuations in Roman import-flow into central Germany that depended on historical circumstances. Or do we see them as primal models of the corruption and depravity that autocracy and tyranny necessarily bring in their wake, as well as being templates for the violence and exploitation of later centuries of European imperialism? Artificially flooded in the 1700s and used to power a forge mill, the Kreutweiher creek is now a popular venue for local fishermen.

## **Rome Beyond the Imperial Frontiers by Robert Eric Mortimer Wheeler**

Their leader, Alavivus, petitioned the Eastern Roman emperor, Valens, for permission to cross the river and settle in Thrace, promising to be faithful subjects. Certainly, the artificial barrier between Upper Germany and Raetia was abandoned in the AD 260s, and the whole of Dacia in the AD 270s, but the new frontier line, which followed rivers again, was fortified with the usual range of forts, fortlets, and towers. Excavations in the 1970s to the east of the fort revealed the well-preserved remains of a waterlogged timber building in the Moosweiher, or old pond.
