## Hotel Del Monte

The Ghost Trolley rolls nightly, and also offers daytime wine tours. In addition to being the only complete turn-of-the-twentieth century light station open to the public in California, the park is unique in that it is the only such facility in the state to be entirely staffed and maintained by a private, non-profit organization.

PHOTOS: Later, Menchaca said, her grandmother learned that, at that very spot, a monk had molested dozens of children. The first building was designed by architect Arthur Brown, Sr. Let us know all about it in the comments section below! Stokes promptly took poison and fell dead at the feet of his offspring.

## HISTORIC GHOSTS OF OLD MONTEREY

In 1834, English sailor jumped ship in Monterey, passed himself off as a doctor with medicine cases stolen from the boat, opened a pharmacy and bought the adobe.

To avoid this, be sure to get in touch with the property owners before visiting a haunt, and respect their hours of operation, local regulations, and rules for visiting at all times. Experience disembodied voices, phantom ships, and ghostly spirits wandering historic adobes, hotels, and roadways of the Peninsula.

## Haunted Places in Monterey

Menchaca's mother slept in the basement, and reported feeling kids getting into bed with her, perhaps to hide. The tree was blown down by a storm on January 14, 1964. Workers at this park say they have seen its carousel turn on and start running by itself at night.

## **Restaurant 1833**

Menchaca turned and ran, waking her grandmother and bringing her to her great-grandmother's bedside. At that time, the Chinese fishing community continued in existence despite mounting anti-Chinese sentiment among Monterey residents of European heritage.

### **Salinas Valley hauntings and ghostly tales of terror**

The Coldwell Banker® System is comprised of company owned offices which are owned by a subsidiary of Realogy Brokerage Group LLC and franchised offices which are independently owned and operated. Some reported feeling a mysterious presence pushing down on their chests as they lay in bed, holding them down while they struggled to breathe or sit up.
