The origami practice dollar bills mean that you won't have to practice on real money and can save it up to buy some more origami kits! LaFosse co-founded the Origamido Studio, a learning center and design studio dedicated to the art of origami. I thought this a perfect way to introduce him to origami where he can learn some of the easier diagrams and at the same time create something that has special meaning for him.

I strongly recommend this package over all others that I've seen; at least for a beginner. Together, Alexander and LaFosse have created dozens of origami exhibitions, and more than seventy books, kits, and videos about paper and paper arts. This book encourages reading, following directions and success.
