do you mean I can't

Completely agree with you, Brandon.

What Do You Mean I Can't Write by John Fielden Essay

That is just one of the symbols in this poem.

“What Do You Mean I Can’t Write?”

Instead of being able to write and think about anything else they have to focus very hard just to write anything down. Ewon No, no, no, no, no, no, no Oh, mother, her mother, my mother told me? Furthermore, it is the foolish manager who forgets that, when he communicates downward, he speaks as a representative of management or even of the entire company.

What do you mean I can't write Poggers to get a grade? : Shenpai

In fact, it could be many things. They know, too, that as they rise in their company, they will have to be able to supervise the writing of subordinates—for so many of the memos, reports, and letters written by subordinates will go out over their signature, or be passed on to others in the company and thus reflect on the caliber of work done under their supervision.

8 Writing Strategies for People Who Say They Can't Write

But I noticed that he somethings write letter differently.
