Read Early Pithouse Villages of the Mimbres Valley and Beyond: The McAnally and Thompson Sites in Their Cultural and Ecological Contexts by Michael W. Diehl Online

The authors synthesize the data about changes over time in the villagers' lifestyle to develop a new chronology for the occupation of the region. Este artículo repasa la relación entre los conceptos de ubicuidad y probabilidad estadística. This volume presents a complete report on the archaeology of two important Early Pithouse settlements located along the Rio Mimbres, including detailed accounts of the excavation units, depositional contexts, architectural details, radiocarbon dates, miscellaneous artifacts, and ceramic frequency distributions.
