## Contemporary Art: A guide to understanding contemporary art

Pop art was born by famous artists such as Andy Warhol. Even the best of digital cameras cannot capture the actual brilliance of a work of art.

## How to Appreciate Modern Art

Start with the most basic: what medium or material is it — a photograph, an object, a painting? With its diversity and the challenging nature, with a dynamic combination of materials, methods, concepts and subjects that challenge the traditional and defy easy definition. Creating a painting that is pleasing to the eye is something i have respect for - as i have respect for some really good piece of pop music - but there is more to art as there is more to music. Now, this is the time when everything starts to build up and form this eclectic and diverse Contemporary art.

## What's the Difference Between Modern and Contemporary Art?

By Marius Jean Antonin Mercier 1845-1916 Statue of Liberty 1886 Copper, Liberty Island, New York Harbour.

## Book Reviews, Sites, Romance, Fantasy, Fiction

That's where those plaques next to artwork come in handy.

## A Beginner's guide to understand modern art

Already artists had been turning more and more to non-objective art as a means of expression. But that's part of the point.
