Cyfarfod Llawn 20/11/2019

The Town and Country Planning Act of 1947 introduced the current system of listed buildings Creigh-Tyte 2000. Fe adeiladwyd ffyrdd newydd a chylchfan newydd, ac agorwyd mynedfa i'r parc. I would ask whether we can have a statement from the Cabinet Secretary giving us an update on those negotiations, because clearly, as I said, it's important from the point of view of our children's health, and it's important from the point of view of the contribution it makes to the dairy industry, too.

Managing World Heritage Sites in Wales

Un o'r pryderon sydd gennyl yw sut rydym yn targedu ein gwariant ataliol yn y sector iechyd. It will mean a good many changes.

Protecting historic Wales

Is it the dumping of 300,000 tonnes of nuclear mud approximately 1 mile from Cardiff Bay, or is it giving a licence for a biomass incinerator that neighbours residential properties in Barry dock, or, finally, is it refusing to sell timber from public woodland at market value, potentially fleecing the Welsh taxpayer of £1 million? Twenty-six countries have ratified it so far, including Germany, France and Italy, but the UK has not. So, mental health is there, early years is there, housing is there—all of those I think have a really, really strong preventative focus.

Is the Conservation of the United Kingdom's Built Heritage Sustainable?

Ac rwyf wedi mynegi fy ngwrthwynebiad wrth Gyngor Bwrdeistref Sirol Caerffili ar y ddwy sail ac wedi cyfrannu at yr ymgynghoriad ar y fframwaith datblygu cenedlaethol. Ond credaf ei bod yn bwysig ein bod yn dathlu'r cyfraniad y mae'r bobl hyn yn ei wneud i'n gwlaid. Pan edrychwr chi ar y ffigurau, mae gostyngiad o 7 y cant o wledydd nad ydynt yn yr UE a gostyngiad o 10 y cant o wledydd yr UE yn dod i brifysgolion yng Nghymru.
