## Arab American Students in Public Schools. ERIC Digest

Perhaps not coincidentally, the representatives with the benefit of easy access are from regimes closely tied or heavily dependant on the United States.

## Challenges Facing the Arab American Community from a Legal Perspective

ISRAEL From its inception, Israel recognized the importance of lobbies and interest groups and devoted considerable resources and effort to study how they work within the U. Since numerous studies have documented this negative stereotype only a few examples are necessary to set the stage. To make matters worse, politicians, fearing a political backlash from pro-Israeli forces, have shown a marked reluctance to accept support from Arab American groups.

## U.S. Foreign Policy in the Middle East: The Role of Lobbies and Special Interest Groups

AIPAC lobbies in Washington throughout the year, and its leaders visit regularly their representatives and the staffs of key committees.

## Program Staff: Conflict Resolution

Dans les autres cas, les auteurs affirmaient explicitement la superiorite inherente de la culture occidentale.
