**Democrats Now Moving at Lightning Speed, Following Soviet Union Blueprint, to Crackdown on America**

The Soviet Union is ready for the negotiations on strategic weapons, and it

will present its position when the time comes. The second prong was directed specifically against making such facilities available to the Soviet Union. It is very important to take an approach which would not leave the possibility of destabilizing kinds of weapons—first strike, instantaneous hard-target kill systems on both sides.

### China's Real Threat Is to America's Ruling Ideology

The lack of a political opposition leads to a lack of accountability. Gromyko indicated that he thought the structure of the conversation could be such that he would speak in short passages rather than long ones and that this would be better and more natural.

### Communist state

To the contrary, a Marxist-Leninist constitution seeks to empower the state—believing the state to be an organ of class domination and law to be the expression of the interests of the dominant class. The CMC is responsible for the command of the PLA and determines national defense policies.

### Politics and Soviet

There is nothing vital to American security or prosperity that China threatens. This can be discerned by the fact that retained the until 1976 while used existing Austrian, French, German and Russian civil codes until its adoption of its own civil code in 1964. Moreover, the contemporary ideologies no longer have the width of the all-encompassing ideological systems of the end of the nineteenth and the beginning of the twentieth centuries.
