Accommodating national identity : new approaches in international and domestic law

The German Federal Constitutional Court on the European Arrest Warrent, in European Constitutional Law Review, 2006, 209 ff.

Difference Between National and International

We want to hear what you think about this article. Of course, we are a long way from a world in which what is good for humanity consistently outweighs the prerogatives of states. Francioni, International Law as a Common Language for national Courts, in Texas International Law Journal, 2001, 587 ff.

Changing Today's Law Enforcement Culture to Face 21st

The foreign policy of each nation is formulated on the basis of its national interest and it is always at work for securing its goals. In countries where national identity cards are fully voluntary, they are often not so commonly used, because many already have a passport and a driving licence, so a third identity document is often considered superfluous.

Sweeping new rules bring China's national security law into Hong Kong classrooms

As it is well known that the CEE Constitutional Courts are considered to belong to the third generation of constitutional courts, which are characterised for having been settled after the fall of a dictatorial or authoritarian regime.

Pros and cons of national ID system

Bridging the gap between scholarship and practice remains an overriding challenge for international conflict resolution George, 1993.
