Community Building/Collaboration

Decorations can be minimal as long as the beats are blasting.

Beyond the bake sale : the ultimate school fund

The school staff knows more of the needs of the community than anyone else because we see it and hear it every day. I would love to do more to foster GRIT in students. However, it seems that the preschool feels very separated from the rest of our K-4th grade building, which holds just over 700 students.

Raise Dough

The Hagmann Report will never be encumbered by political correctness or held hostage to an agenda of revisionist history. He points out that his figures are low estimates based on a meager 2 percent growth rate. Get inspiration to be more product.

Guests

Or setting up classroom websites such as google classroom where you can upload all information for that week and remedial activities for parents to work with students at home.
