Shi shuo xin yu bu. Sesetsu shingo ho,

Other open spaces used for the worship of kami are , an area surrounded by sacred rocks.

A New Account of the Tales of the World

A snowy night's visit to Dai Kui. Among the earliest known appearances of the term Shinto in Japan is in the 8th-century text, London and New York: Routledge.

Cultural and ritual empowerment of women in the northern courts: Yu Xin's epitaphic writings

The number of priests at a particular shrine can vary; some shrines can have over 12 priests, and others have none, instead being administered by local lay volunteers.

Japanese for Sinologists: A Reading Primer with Glossaries and Translations

He competed at the 4×100 metres relay together with , and. Makoto is regarded as a cardinal virtue in Japanese religion more broadly.

Shinto

There is a belief in a human spirit or soul, called the *mitama* or *tamashii*, which contains four aspects. A page from the 14th-century *Shinpukuji* manuscript of the *Kojiki*, itself written in the 8th century In the mid-7th century, a legal code called was adopted to establish a Chinese-style centralised government. They are not regarded as , , or necessarily.

Sesetsu shingo sakuin

The subject was popular with Japanese painters of the Momoyama and early Edo periods who tended to transform the theme into a rather generalized image of reclusive scholars engaging in literary pursuits. A torii gateway to the Yobito Shrine Yobito-jinja in Abashiri City, Hokkaido There is no universally agreed definition of Shinto.

Sometimes they fill other roles, such as being secretaries in the shrine offices or clerks at the information desks, or as waitresses at the naorai feasts. The concept of aki encompasses misfortune, unhappiness, and disaster, although does not correspond precisely with the Western concept of evil. Salt is often regarded as a purifying substance; some Shinto practitioners will for instance sprinkle salt on themselves after a funeral, while those running restaurants may put a small pile of salt outside before business commences each day.
