See: Carsten Klingemann: Soziologie im Dritten Reich pp. From the beginning, a personal relationship developed.

Hart Crane

When I think back of school, I always think only of the ideal image of the last year, and that lets me forget all the dry and gulped-down schooldays... in the last class, the questions woke up, the thirst for knowledge arose, which should later always remain the driving force.

DP: Letters of Hart Crane: 1916

. And she is right about it — for you have to be very malleable and immature to fit into this Salem school, to approve of it wholeheartedly. Physical training, public health education a national health campaign organized by the YMCA in 1920s virtually ended typhus in China , and other fields of work were soon added as the YMCA responded to local needs.
