### About Japan: A Teacher's Resource

Other types of thinking Temple describes are, photo realistic visual thinkers, pattern thinkers, and verbal minds.

### About Japan: A Teacher's Resource

May contain limited notes, underlining or highlighting that does affect the text. I like all of the stories in the book the one that I think is really strong is the last one- about Von, who is 20 years old from Vietnam. Considered one the greatest Civil War movies of all time, it focuses on the personal element during those disastrous three days of war.

### Gabrielle Whitlock EDUC 2120: 2012

Levinson 1-3 graders A grandmother tells of her mother's voyage to the United States in steerage class. Photo thinkers are like Temple where they see photos and they are typically not great at algebra.

### THE NEW AMERICANS . For Educators

Some changes that could be made to support these children would be to have a way to help get the supplies they need. Essays related to current immigrant groups to New York and how these groups are shaping the city.

### Immigrants and Ethnic Groups

Ask students what the significance of such a portfolio might be, particularly from a historic perspective.
