Milton Shulman (1913)

However, since you already have Churchill's permission, and indeed mine, to 'tell your story', subject to security clearance, I am going to let you have memoranda setting out in precis your main operations and your part in them. They remained in those banks for a few weeks but the initial transfers were completed by the end of June. Some of the medals could be fakes, but was it likely that anyone would have a false Victoria Cross counterfeited and attempt to pass it off on experts? In the process he would establish himself as a useful British defector whom Canaris could trust because of the accuracy of his information about Dieppe.

After the war he was seconded to the Foreign Office and In 1930 he set up a body known as the Industrial Intelligence Centre, a front for a super-secret organisation which was privately financed by successive monarchs George V, Edward VIII and George VI. All the Gauleters were appointed by him and under his order, all careers within the party were dependent on his favour.

Nevertheless West insisted that fiction or not, it provided - because it was said to be based on Creighton's career - sufficient evidence that Creighton was a liar. It was now evident that the Bormann escapade was on. My first inclination was to treat the letter as one of those crank missives, usually written in red or purple ink, that often plague journalists and are dealt with by a quick toss into the nearest wastepaper basket.
