## WH Committee, Report of the 17th Session, Cartagena 1993

During that year, Nokia had to make a radical choice: continue massively investing in its mobile-device business its largest or reinvent itself. They must be left to the technicians.

## KOSELLECK AND THE IMAGE

Sections 78b and 78c apply accordingly. Ranke also rejected the 'teleological approach' to history, which traditionally viewed each period as inferior to the period which follows.

## Helsinki Final Act

Thus, climate depends on the character of atmospheric circulation and the movement of water masses in the oceans.

## World Heritage Committee: Report of the 23rd Session, Marrakesh 1999

If the victim dies, the right to file the application passes to the relatives referred to in section 77 2. This duty results from the membership structure of the municipality that, as a regional authority, includes the active participation of the municipality citizens in the performance of municipality tasks.
