Henry James: the old master from the new world

Very late in life James began a series of autobiographical works: A Small Boy and Others, Notes of a Son and Brother, and the unfinished The Middle Years. James is one of the major figures of trans-Atlantic literature.

Oh Those Fabulous James Boys!

Presently her companion produced from under the folds of a mantle a limp portable chair which she stiffened out and of which the large lady took possession. He was confused about the time that had passed--he pieced the fragments together. Early life and works was named for his father, a prominent social theorist and lecturer, and was the younger brother of the pragmatist philosopher.

Life and Works : Ibsen Society of America

Accent marks in foreign words have been removed.

A Comedy of Errors at the Nobel Prize

A third lesson from the James brothers is that is no guarantee that the oldest always comes out on top. The most frequently heard critique of the prize, particularly in America, is that it's perennially bestowed on obscure authors whom no one reads except their mother.
