American Foreign Policy, 1890

Spanish conquistadors arriving from Cuzco and Asunción took control of the region in the 16th century. Southern Military Command already has relocated its headquarters to Miami, it is not too late for the United States to jump-start negotiations to retain some military presence at existing bases in Panama. In the Dominican Republic, where military leaders had ousted the democratically elected government of Juan Bosch, Johnson dispatched 20,000 U.

Nicaragua Network was formed in February 1979 with the help of Nicaraguan émigrés, including Washington DC activist Saúl Arana Castellón who later became the director of the North American Section of the Nicaraguan Foreign Ministry.

HISTORY OF DEMOCRACY IN LATIN AMERICA

The illicit activity in Mena, meanwhile, was covered up by Governor Bill Clinton who supported the Contras. As a new industrial United States began to emerge in the 1870s, economic interests began to lead the country toward a more expansionist foreign policy. The issue facing both scholars and policymakers today, however, is what happens as U.

HISTORY OF DEMOCRACY IN LATIN AMERICA

Previously, the country was an underdeveloped exporter of agricultural commodities such as coffee and cocoa, but oil quickly came to dominate exports and government revenues. But this first step neither placates Republican or regional critics, nor addresses sticky regional dynamics.
