How John Sutter came to California

Reconstruction began in 1891 and continues to this day. He spent the rest of his life seeking compensation for his losses from the state and federal governments, and died disappointed on a trip to Washington, D.

Sutter's Mill, Where the Californian Gold Rush Began

However, a year later, the Supreme Court declared portions of his title invalid. We have a volunteer within fifty miles of your requested photo location.

Statue of California Pioneer John Sutter Removed After Vandalism

Despite numerous petitions to the U. The final product would be sold or traded to the local natives in return for goods or labor.

Gold discovered at Sutter's Creek

Today it is not only a reconstructed entity but a learning center of California history as well. Some of these businesses are still around today, such as Levi Strauss and Wells Fargo.

Sutters Mill Map

Many made their journey on foot or by wagon.

Gold Discovery History

All his workmen abandoned him to seek their fortunes. You can still file a request but no one will be notified. For the next 15 years, the undisputed founder of California petitioned Congress for restitution but little was done.
